

ASA600 Swing Gate Motor

The ASA600 is Australia's favourite farm gate opener. It's not that it can't open other gates but you don't get too many single gates over 4.0 metres – until you get to farm gates that is. With its 12 volt motor the ASA600 is probably used more on solar power than mains but the choice is yours and we have solar kits available for the ASA600. Simple to install and maintain .

TECHNICAL SPECIFICATIONS

POWER SUPPLY	240 Volts AC
MOTOR POWER	12 Volts DC – 70 Watts
SHAFT STROKE	600 mm
CYCLES / HOUR	40
OPERATING TEMPERATURE	-20C to +55C
WEIGHT	10.0 kg
MAXIMUM LEAF LENGTH	5.0 Metres
OPENING DEGREES	90 – 110 Degrees
SHAFT SPEED	1.9 centimeters / second
PROTECTION CLASS	IP43
MAXIMUM THRUST	1500 N
DIMENSIONS	970L X 90W X 185H
