

EG 005

MAIN FRAME - Standard gate main frame 75x50x3. Mitred corners with extruded 5mm thick corner stakes.
INFILL - Alternate 65x16 and 38x16 horizontal slats at nominal 15mm spacing (adjust to suit your requirements).
FINISH - Pre treatment and powder coat. Kit includes covers to conceal all infill fastening points.
SIZE RESTRICTIONS - Maximum width 1500mm. Larger gates use Easy gate frame and corners.
